TO WHOMSOEVER IT MAY CONCERN

I Annamma Cherian, Principal of Indian Public School, Kuwait certify that the students of this school use books published by NCERT and CBSE for most of the subjects. We also use some books published by private publishers through review to ensure that CBSE guidelines have been followed strictly. None of the books used by us promotes disharmony or intolerance. Learning outcomes as published by CBSE have also been considered. I undertake this responsibility fully and ensure CBSE that nothing objectionable will be found in the study material we use for the students at school. Our books have also been checked page by page by Ministry of Private Education at Kuwait and they have granted approval for all the books in use in writing.
